Dear Officer-in-Charge Capulong:

Greetings from the Development Academy of the Philippines!

You will be pleased to know that we are opening the **9th batch of the Senior Executives Class (SEC)** under the Public Management Development Program (PMDP), the National Government's Career Executive Service Development Program, on March 27, 2020.

The new class is a sterling opportunity to send your 3rd level officials to a life-changing training program that widens their perspectives, equips them with the necessary skill set to tackle the increasingly challenging demands of the workplace, and connects them to their peers for a collaborative mindset. Facilitated by a faculty pool composed of today's top *pracademics* and seasoned bureaucrats, the SEC is especially designed for leadership and governance in the Philippine public sector. The program includes a Sensing Journey in a rural community and Foreign Study Mission to an ASEAN country.

Qualified participants are your incumbents and OICs of executive positions with Salary Grade 25 and up, aged 55 years and below who are in good health.

PMDP is an investment of the national government. Basically your agency's counterpart is just the executive time of your officials at five (5) days a month for 10 months and the local transportation expenses. The personal reward for successful participants is a graduate Diploma in Development Management to be awarded by DAP.

We shall eagerly await your nominations on or before February 7, 2020. Inquiries may be directed to Ms. Milette F. Young, our Program Manager for Recruitment and Admissions at (02) 8 631-0921 local 125 and (02) 8 631-2128, or email us at pmdp.admissions@dap.edu.ph

May we all have a blessed new decade!

Very truly yours,

NANETTE C. CAPARROS
Managing Director, PMDP
